*learning to be, learning to know,
learning to live, learning to learn*

Dear Parents,

I hope that you all enjoyed the half term break last week. The children were very excited to be back at school and it was great to see them bringing in their home learning projects! The first week back has been full of exciting trips and visitors to the school. See the photos here and also on the website.

Y4 Celebrate Chinese New Year

Year 4 celebrated Chinese New Year before half term. They learnt about the tradition, cooked delicious spring rolls and dressed up in traditional Chinese clothing. How do they look?

Year 2 Visit London Zoo

This week Year 2 visited London Zoo! It was a great chance to see lots of the animals that we have been learning about in Explore and Discover and the different habitats that we have learnt about in Science. We got to see Blue Morpho Butterflies, Macaws, Bats, Poison Dart Frogs and Monkeys. We dazzled the zookeepers with facts that we remembered from the information reports which we wrote earlier this term. Our favourite animals were the giraffes, the monkeys and the penguins. Next week in Literacy, we will be learning a diary extract written by an animal that spots a villain at the zoo!

WORLD BOOK DAY

This year, World Book Day is on **Thursday 3rd March** and here at MPS we will be celebrating our favourite villains from children's books. Come dressed as your favourite book baddie on 3rd March. Also on 3rd March we will have a **Book Swap**. Children can bring a book to school they would like to swap for a new one. There will also be a parents book swap in the playground at the end of the day. On Tuesday 1st March we would like to invite **parents to come and read** with children at 2.45pm until the end of the day. No need to book, just turn up if you are available.

Why not?

Why not take part in the 'Mars Mission' competition? You have to think of an imaginative rocket design to reach Mars! The prize is a place on an Science Easter Camp at Imperial College London. For more information go to:

Visit from the Mayor of RBKC

From the 8th—12th February we were lucky to have a number of visitors who were authors from Denmark, Estonia and Sweden. This was part of the Mayor's literature festival. As well as an international author, Year 4JAP had a visit from the Mayor himself! He took part in the workshop and had many great conversations with the class.

Inappropriate Websites

During E-Safety Week many children revealed that they use social media websites and other apps which are not appropriate for their age. We urge parents to not let their child use apps such as Facebook, Twitter, Viber and Moviestarplanet etc. Many of these websites are for 13 years and older.

School Football Kits

A lot of Marlborough's football kit is still missing. We urgently need this returned to school as soon as possible.

Sports News

We have been busy at Marlborough! We hosted a girls friendly football match against Pembridge Primary School which was great fun and prepped the Year 5 and 6 girls for the Girls Football Athletics Festival at Westway this week. The Year 5/6 St Lukes Netball team won their first match 3-0 against Ashburnham and the Year 5 boys in St Lukes Football League lost their amazing winning run this week with a 2-2 draw against St Cuthberts. They are doing incredibly well and we're so proud of them.
