Achievement for All  
Newsletter - 15th July 2016

*learning to be, learning to know,  
learning to live, learning to learn*

Dear Parents,

This is the last newsletter of the school year! Thank you for all your support since September. It really makes the difference. Thank you to all the parents who ensured that the summer fete was a great success. Especial thanks to Alex and Nadine who co-ordinated and organised the event, You raised £770 for music at Marlborough! School closes at 2pm on Wednesday 20th July - children can wear their own clothes on the last day.

During the holiday make sure you read with your child every day and if you haven't joined the library then do so and join their summer reading challenge!

Wishing you all a safe and happy summer holiday.

## **More Goodbyes**

We are very sad to have to say goodbye to Davey Morgan, sports coach, and Martin Donnelly. Davey has a long association with the school and we thank him for everything he has contributed to the school over the years. We also have to say goodbye and thank you to Judith Peterson, teaching assistant, who is leaving us too. Farewell to all the families and children who are leaving the school - we are going to miss you all!

## **Food to market**

Lynn has been working with a group of Y4 and 5 children on producing Marlborough Chutney to sell at the whole food market in High Street

Kensington. This week they took their finished produce to be sold.

## **Y6 Lion King Performance**

Year 6 gave a stellar performance last night and this afternoon. Their production of the Lion King was tremendous on every level from the acting and singing, down to the set, make up and costumes.

Congratulations to everyone who was involved in the creating such a professional show and most notably to Mr Maynard and Ms Reimers without whom there would be no show!

## **Nursery and Reception Class Graduation**

This week all the children from nursery graduated to reception class and those in reception graduated to Year 1. Each class had their own memorable event attended by family members which was followed by a garden party outside.

Thank you to everyone who came and contributed to the party!

**parentgym**  
FOR PARENTS WHO CARE

Parent Gym is nothing to do with sport or being fit! It is a programme designed to support you as a parent. The school will be hosting Parent Gym again in September. There will be a taster session for anyone who thinks they might be interested and then a series of 6 sessions over the term. More information to follow.

## Achievement for All Celebration

Last week, we had an Achievement for All celebration party to acknowledge all the hard work and effort put in by parents and children as part of the programme. Children were awarded certificates and prizes to recognise their successes and achievements over the past year and parents were given the opportunity to feedback and share their ideas. We all had a great time and are looking forward to continuing our journey next year!

## Summer Fete

The summer fete was a great success despite the weather forcing us to hold the event inside the school. The winners of The Great Marlborough Bake Off were: Tala & Tuleen - Children's Winner and Kim Bahra (Simran & Ajay) - Adult Winner. Thank you to everyone who entered the bake off - the cakes not only looked amazing but were delicious too. We raised £770 for music at Marlborough thanks to your generosity. The fete was an example of what we can achieve when we all work together. Thank you to all the parents and staff who helped on the day.
