

Marlborough Primary School
Achievement for All
Newsletter - 25th November 2016

we are equal, we include everybody, we ask questions, we are creative, we are learners

Dear Parents,

As you will see from this newsletter, the last two weeks at school have been very busy.

Thank you for coming to school to meet with your child's class teacher this week. If you have not yet managed to have a meeting do contact the office to make an appointment or speak to your child's class teacher at the end of the day, when picking up your child.

Jessica Finer
Headteacher

Absence Reporting

Marlborough Primary School has agreed to participate in an NHS public health project called 'Inspire', which aims to improve treatment of asthma in children. We need your help though! The project uses a free absence-reporting app called Studybugs. Whether or not your child suffers from asthma, please could you download the app, or register on the studybugs.com website, and use it to tell us whenever your child is ill and unable to attend school.

Anti-bullying week—Power for Good

Last week we took time in school to think about how we could be a Power for Good. We talked about what bullying is and what it isn't. On Friday lots of children dressed up in blue and wore their super hero masks. We raised money for Children in Need by donating £1 and Marlborough raised a total of £213. Well done and thank you!!

Marlborough's Got Talent 2016!

As part of Anti-bullying Week the School Council run Marlborough's Got Talent. This year we had some amazing acts who made it to the final which made choosing a winner very tough for the judges. However after much discussion they agreed that third place should go to Yassin for his amazing yo-yo tricks, second place to Abir for his astounding speed with a rubix cube and first place to Ruby Y6 for her rendition of Stay, Ruby was a deserving winner. She showed poise, control, confidence and sang with conviction. Well done Ruby we are very proud of you!

Diary Dates

November

29th Y6 visiting Imperial War Museum

December

1st Y2 Visiting the Library
2nd Christmas Festival Rehearsal

Keep your children safe online!

Y2 trip to St Pauls Cathedral

As part of Y2 learning in R.E, Literacy and Explore and Discover learning they visited St Paul's Cathedral and Trafalgar Square last week. They took the number 11 bus to get there and took in the sights whilst playing a game of London 'I spy' in their sketch books. When they arrived at St Paul's the children were very excited. They had learnt a poem about the cathedral during 'International Week' and finally got to see the 'beautiful dome and spire glittering like gold'. They walked around the cathedral and talked about what they could see and even got to meet one of the priests. Y2 had read 'Katie

comes to London' during International week and on the way home they really enjoyed seeing the huge lions in Trafalgar square

that had come to life in the book. Y2 sketched Nelson's Column and the lions and even got to look at a giant Lego ship! While the children were waiting for the bus to take them back to school, they got to see Princess Anne drive past. What an exciting day they had!

Teddy Bear Hospital Y1

Last week both Y1 classes brought in their teddies and took them to the Teddy bear Hospital who were visiting Marlborough from Imperial College. They got to learn about the different parts of the body, being healthy and what to do in an emergency.

Y1 trip to Kensington Palace

Year 1 visited Kensington Palace as part of their topic Homes and Houses. They got to learn about toys from the past and even got to see toys which were once played with by Queen Victoria.
