

we are equal, we include everybody, we ask questions, we are creative, we are learners

Dear Parents,

We are now 6 weeks away from leaving our interim school building. Excitement is growing as the children prepare items to include in a Time Capsule to be buried during a special ceremony in July!

There are lots of exciting activities happening before the summer break, keep an eye out to see what we have planned.

Class Photo's

On Tuesday 13th June the school photography company, VanCols, will be in school to take photos of each class group. All children should come to school wearing full school summer uniform. Y1 & Y5 should wear their uniform to school and bring their PE kit with them. Proofs will be sent home with your child once we receive these from the company in case you wish to purchase the class photo.

Science Week Women in Science

What an amazing week we had before half term! Thank you to Miss Dark for organising such an exciting week - every class took part in a workshop at school, visited the science museum and learnt about women scientists. The family challenge was a highlight of the week—well done to the winners Elmer and his dad!

Year 6 star in Newsround and the I newspaper

This week some of the children in Y6 were selected to take part in interviews filmed for Newsround (on the BBC at 16.20pm today!) and the I newspaper. See Twitter to view the video of the inewspaper.

School Uniform

As we are now in the summer term all girls are expected to wear their summer dresses and leggings should not be worn. Jumpers/cardigans should still be worn as the days can still be chilly in the playground.

All children must be wearing correct school shoes at all times, trainers should only be worn on PE days which must be plain black, navy or white with no branded labels or logos.

Girls with long hair must tie it back. Boys hair cuts must be regular with no fashion cuts or lines.

Share a Story Month

During May, we all celebrated Share a story month; the theme of the month was 'Picture a Story'. We celebrated and enjoyed pictures from Museums and Art galleries and used them to create pieces of writing. Here are some pictures of us enjoying our trips to the galleries!

Y5 'We are Londoner's' Project

Year 5 visited Park Walk to share their learning from the 'We are Londoner's' project. It was wonderful to see so many MPS parents in attendance. Thanks to Sef the storyteller from Everyday Magic who led the shared session for us and well done to the MPS children who presented so well!

Online Safety

Parents should try to reach an agreement with your child on the guidelines which apply to internet use in your household. Here are some tips to get started:

- Discuss when and how long it is acceptable for your child to use the internet.
- Agree how to treat personal information.
- Discuss how to behave towards others when gaming, chatting and messaging.
- Agree what types of sites and activities are OK and not OK.
