

Marlborough Primary School

Achievement for All
Newsletter - 24th March 2016

*learning to be, learning to know,
learning to live, learning to learn*

Dear Parents,

It is hard to believe we are at the end of the Spring term. So much has happened since we moved into the interim school!

Next term will be busy and we will also be celebrating the Queen's 90th birthday with a garden party for the children.

Thank you for all your support this term and for helping to raise £3,472 for Sport Relief - incredible!

Wishing you all a restful and spring-like break

Jessica Finer
Headteacher

Congratulations

Congratulations to Mr Maynard who is now a father! Mrs Maynard gave birth to a baby boy on Monday 21st March and I am sure you will wish to join all the staff in sending best wishes to the new family.

Congratulations to Miss Hope who will be getting married during the holiday on 2nd April!

Why Not?

Why not take a trip to the National History Museum and visit the NEW Sensational Butterflies exhibition. Enjoy a perfect family day out wandering among hundreds of free-flying moths and butterflies from around the world all in the tropical butterfly house. To book go to www.nhm.ac.uk/sensational-butterflies.

Science Week

It has been a very eventful Science Week in school. Each year group has been on a wonderful trip to either the Science Museum or Natural History Museum for workshops, we have had parents come in and talk to classes about Chemistry, Satellites and the Antarctic. A big thank you to Ms Dark for organising this great week and for putting on an assembly of science experiments with Zisis' dad from Y1VD. We learnt how to make a lava lamp! Look on the website under School news to see the message sent to the school from a Russian Cosmonaut! Click here to see more images from Science Week

Sport Relief

The children were so inspired by Sport Relief! Thank you for helping your child to raise money for a very good cause and a huge thank you to Miss Zarbanelian for organising such a great event.

Easter Egg Raffle

Thank you for all your donations to the Easter egg raffle and for buying so many tickets! The raffle is always exciting and this year we managed to raise £249 which will be shared between the school and our charity of the year Macmillan. Have a look on the website for more pictures.

School closure on 23rd June

Due to the referendum on the EU membership the school will be closed on 23rd June as it is to be used as a polling station.
