

we are equal, we include everybody, we ask questions, we are creative, we are learners

Dear Parents,
What an exciting day we had supporting Comic Relief and raising money to help others. The children loved dressing up as film characters and wearing their red noses! Thank you for making a difference to the lives of others.

Red Nose Day

Today we all celebrated Comic Relief by dressing up as our favourite movie stars and wore our red noses. There were some fabulous costumes! During the afternoon all class got to enjoy watching movies and eating popcorn.

Y6 Wallace Collection

On the 13th and 14th of March, Y6 visited the Wallace Collection where we were shown two different objects from two very different civilisations: the gold mask from the great Ashanti [Asante] civilisation of Ghana and a seventeenth century Dutch painting 'The Young Archer'. We were using our analytical skills to learn about some characteristic features of these civilisations and the main features of their cultural heritage, in the same way that we have been doing throughout our theme this term.

Y4 Royal Albert Hall

Year 4 were very lucky to have the opportunity to go and witness 'Classical Spectacular' at the Royal Albert Hall. There was a full orchestra, an opera singer and even some ballet dancers. We recognised some of the pieces played from our workshop with the Royal Albert Band and got to join in once more. The finale included laser light shows and pyrotechnics. A real spectacle indeed!

Year 3 Infant Voices

On Tuesday the Year 3 Choir took part in the Infant Voices Festival at Hammersmith Town Hall. We were joined by a range of schools across the tri-borough to perform an ensemble of playground songs with a small orchestra. The children had a great time and all sang beautifully!

Library Monitors

We have a new group of library monitors who will be responsible for looking after the library; suggesting good books for children to read; and running a lunchtime reading club. Well done to Mahd and Tatiana (Y6), and Nora, Aisha and Aron (Y5) for taking on this new role.

Online safety

Teach your child about evaluating information and being critically aware of information found online.

Most children use the Internet to improve and develop knowledge in relation to home learning and personal interests. Children should be aware that not all information found online is correct, accurate or relevant. Speak to your children about how to verify information they find by comparing it to alternative sources on the same topic. Show them trusted sites they can use to compare information.
