

we are equal, we include everybody, we ask questions, we are creative, we are learners

Dear Parents,

We are nearly half way through the summer term which feels unbelievable! We are rapidly approaching the end of our time in the interim school. See the photo below for how our new school is looking from Sloane Avenue! Half term is almost here but before the holiday we have an exciting science week planned. I am looking forward to seeing some of you for the family challenge on Wednesday 24th May.

Jessica Finer
Headteacher

Term Dates

Please see revised term dates which are attached to this newsletter in light of the polling day being added for 8th June.

Art on Show Exhibition

Congratulations to the following children whose art work has been selected for an exhibition run by RBKC called Art on Show at The Tabernacle: Aurn & Malak Y6, Sarah Y5, Yasmine Y3 and Khadija in Reception. All parents are welcome to visit the Tabernacle, Powis Square, W11 between 15th June-9th July.

Science Week

Women in Science

Next week we are looking forward to a fun filled week of science! Our theme is Women in Science and each class will be learning all about a female scientist and the impact they have had on the science world. Every class will be taking part in a workshop, going on a trip and carrying out their own experiments during our Experiment Day. It's going to be a fantastic week!

Y6 SAT's

Well done to all of Y6 who took their SAT's tests last week. You all did a fantastic job staying calm and focused throughout the week.

Y3 Saatchi Gallery

As part of 'share a story' month, both year 3 classes visited the Saatchi Gallery last week. We listened to a very interesting tour about the current exhibition, 'From Selfie to Self-Expression' and learnt about interactive art, where we could become part. We used our inspiration to write selfie poems and draw detailed self portraits.

Our new school!

Look how wonderful our new school is looking!

Diary Dates

May

22-26th Science Week
22nd Y5 visiting Marylebone School-
Chemistry
22nd Y3 visiting Science Museum
22nd Y4 visiting Science Museum
24th Y5 visiting Park Walk to share 'We
are Londoners' project
24th Y5 & Y6 visiting Science Museum
25th Singing Showcase 2.30pm—all
welcome
25th Reception visiting Science Museum
25th Y1 visiting Science Museum
26th Y2 visiting Science Museum
26th Y6 visiting Marylebone School-
Electricity

29 May-2nd June HALF TERM

Half term Lego Camp

Join the fantastic 2 day camp and build homes through the ages from caves to cities. You will learn about the prehistoric era designing caves, huts and tree houses. On the second day you will build skyscrapers and city life. What is your child's vision of how homes have changed over the centuries? Using LEGO kits comprising of over 4000 bricks, you will have the opportunity to use your creativity to design and construct homes of history and tomorrow.

Ages: 5-11 year olds

Where: Battersea and Chelsea

When: 30th-31st May 9am-12pm **Battersea**
1st-2nd June 9.30am-12.30pm **Chelsea**

★ CHELSEA AND WESTMINSTER HOSPITAL ★

OPEN DAY

== proud ==
to care

★ SATURDAY 20 MAY 11AM-3PM ★

JOB OPPORTUNITIES · TOURS · HEALTH ADVICE
KIDS ZONE · LIVE ENTERTAINMENT · MUCH MORE!

SHOWCASING CRITICAL CARE

Y3 Mini Tennis Festival

This week, 28 children from Y3 participated in a Tennis festival at Westway. They were joined by children from 8 other school from the south of the borough. The children thoroughly enjoyed competing and learning new skills. Out of forty teams, two from Marlborough

reached the semi-finals, before having to play each other in the Bronze medal match. We were thrilled with 3rd and 4th place! Well done!

Nursery Visit to Pizza Express

On Tuesday Nursery got to visit Pizza Express. They had the opportunity to make their own pizzas. How yummy!

Secret Agents Holiday Club

Look out for fliers about the Secret Agents holiday club taking place during half term at St Andrew's Church.

Online Safety

'Internet Matters' is an app designed to help parents talk about e-safety issues with their children, and to ensure that they make smart choices to stay safe online. It is aimed at children aged between 8-10. Go to internetmatters.org to download.
