Special Mentions Assembly

Thank you to those families who joined us today for our Special Mentions Assembly. We are looking forward to celebrating with more children next Friday and every Friday.

This week our congratulations goes to: Adrian, Evie, Amira, Angel, Sara, Alex, Adam, Aliyah, Anna, Ben, Simran, Sam, Saira, and AJ for receiving a special mention.

We are very proud of you all and for all you have achieved.

School Council

We are delighted to announce our newly elected school councillors: Ibrahim, Tina, Lazar, Elizabeth, Denzel, Maya E, Juwairayah, Adam, Mason, Aliyaah, Yavor, Rosie, Savannah, Hudhayfa, Gabriel, Dana, Daisy and Gent. We are excited to see how you work together for the benefit of us all.

House Points

Very well done to Kings who are our winning house this week. Together they earned 155 house points.

After School Clubs

This week you should have received an email detailing our After School Clubs which start on Monday (21st September 2020). Please email office@marlborough.rbkc.sch.uk if you would like to prebook any of our clubs. There are still spaces in Mr Naughton morning football clubs. Wednesday Year 3 and 4 football club is at 8am and Thursday is football club for Year 5 and 6 at 8am.

Technology

We hope you are all being able to access home learning via the Google Classroom. If you are experiencing any difficulties please contact your child's class teacher.

If your child has to isolate, the learning for every day including the flip charts used by the teachers will be available on google classroom.

If you have any issues with accessing technology at home that allows your child/children to continue home learning please email info@marlborough.rbkc.sch.uk confidentially and we will do what we can to support you.

Immunisations

One of the ways we can help ensure the Wellbeing of our children is to make sure that their immunisations are up to date.

If you do not have an up to date record please could you check with your GP Surgery.

Please note we **are not** going to be immunising any children but we would like to support any families that may wish to get some assistance with this.

At this time good oral health is more important than ever for us all. There is clear evidence that poor oral health can lead to more severe complications should anyone contract COVID 19. Please also let us know if you are having a difficulty in getting registered at a dentist or seeing a dentist and we will see how we can best support you.

We will be sending out a survey in the next couple of weeks to see how many of our children have up to date immunisations and see the dentist regularly. We would really appreciate your support and honesty with this survey.
